Thomas King Appointed to Leerink Partners LLC Board

Boston, MA – June 29, 2017 – Leerink Holdings LLC, the parent company of LEERINK Partners, a leading healthcare investment bank, announced today the appointment of Thomas King to its Board.

Mr. King has more than 25 years of experience in the investment banking and financial services industry, having advised on over 100 publicly announced M&A transactions and numerous capital raisings for major corporate, private equity and government clients globally.

Most recently Mr. King served as Chief Executive Officer of Investment Banking at Barclays and Chairman of the Investment Banking Executive Committee. Mr. King was also a member of the Barclays Group Executive Committee.

Mr. King began his career at Salomon Brothers, which was later acquired by Citigroup. During his tenure at Citi, Mr. King held several senior roles, including Global Head of Mergers and Acquisitions, Head of Investment Banking for the EMEA (Europe, Middle East and Africa) Region and Head of Corporate and Investment Banking for the EMEA region.

In 2009, Mr. King moved to Barclays as the Head of European Investment Banking and Co-Head of Global Corporate Finance. He was later promoted to Global Head of Investment Banking and eventually to CEO of the Investment Bank. In response to the financial crisis and changing regulation and prior to his retirement from management in 2016, Mr. King led a major restructuring of the Investment Bank.

"We are thrilled to have Tom join the Board," said Jeff Leerink, Chairman and CEO of LEERINK Partners. "His breadth of relevant industry experience, including advising some of the world's largest companies through complex and transformational transactions and leading global investment banking efforts, makes Tom an invaluable addition to our team as we continue to advance the firm."

Mr. King added, "In a dynamic banking market and changing healthcare environment, LEERINK Partners is incredibly well-positioned to advise leading healthcare companies and emerging entrepreneurs on their next phase of growth. I look forward to joining the Board and partnering with Jeff, the Board and the entire LEERINK Partners' talented team to develop strategies that deliver value to clients and shape the future direction of the firm and the healthcare industry."
