

SVB Securities Serves as Financial Advisor to OPEN Health on the Acquisition of Acsel Health

Key Transaction Highlights

- On February 13, 2023, OPEN Health ("OPEN Health" or the "Company"), a portfolio company of Acety, announced the acquisition of Acsel Health ("Acsel"), a New York-based life science strategy and advisory firm focused on commercial strategy, pricing and market access, and commercial excellence.
- OPEN Health is a pre-eminent global provider of scientific communications and HCP & patient access services.
- Acsel's deep industry expertise, scientific rigor, and actionable analysis allows its success in providing valued partnership to life science companies. These capabilities will complement OPEN Health's existing offering, broadening the range of services it offers to pharma and biotech companies.
- SVB Securities served as financial advisor to OPEN Health.

About OPEN Health

OPEN Health unites deep scientific knowledge with value-creating specialist expertise to unlock possibilities that improve health outcomes and patient wellbeing. Working in partnership with its clients, it embraces a different perspective and strength to deliver fresh thinking and solutions that make a difference. OPEN Health is a flexible global organization that solves complex healthcare challenges across HCP and market access, medical communications, and creative promotional campaigns.

About Acsel Health

Acsel Health is a consulting firm that partners with renowned life science companies to guide life-changing innovations through their critical stages, from early development through market entry. Acsel applies best-practice principles to develop and deliver highly individualized solutions to challenges across the product lifecycle for its clients.
