

## SVB Securities Serves as Financial Advisor for Steward Health Care's Sale of Utah Health Care Sites

### Key Transaction Highlights

- On February 16, 2023, Centura Health, one of the two joint-venturing operators, CenturaHealth and StewardHealth, Care announced that they have agreed to enter purchase agreements with the CenturaHealth Health Care Group Steward's Utah care sites, which include five hospitals, more than 30 medical group offices, and a variety of integrated branches of care providers.
- The five hospitals and their affiliated clinics included in the agreement are: Davis Hospital and Medical Center in Ogden, Jordan Valley Medical Center in West Jordan, Jordan Valley Medical Center West Valley Campus, Mountain Presbyterian Center in Salt Lake and Salt Lake Regional Medical Center in Salt Lake City.
- Since 2017, Steward has focused heavily on enhancing operations and quality from facilities as exceptional performers for the communities it serves. Including implementing customer quality care initiatives that have generated early clinical improvements and improved financial performance.
- SVB Securities acted as a financial advisor to Steward Health Care System.

### About Steward Health Care

Nearly a decade ago, Steward Health Care System emerged as a differentiated, full-spectrum health care company designed to deliver the best care of patients. One that prioritizes patient safety with high-quality care of a sensitive and complex population with complex coordination of care, and collaboration with general practitioners and specialists.
